

February – Issue 1

Welcome from Kurrajong East Public School P & C.

On behalf of Kurrajong East Public School Parents and Citizens Association we wish to extend a very warm welcome to our KEPS pupils and parents, teachers, administrators and especially to our new families.

As in any year, your children remain the top priority and everything we do simply contributes to ensuring a better education for all of them. The responsibility lies with each of us to do something to help, be it volunteer (a crucial component) or contributions in other ways. The P & C invite everyone to join in the fun and do something beyond their daily lives and careers which brings back that feel-good factor. The children need each of us to put our hands up this year and get involved if we are to continue to produce great results. Many hands make light work!

This year will see our normal fundraising initiatives bolstered by many exciting additional 'out of the box' initiatives.

The P & C will continue to operate the canteen, OOSH and uniform pool. We will also continue to provide assistance at special event days.

We look forward to working closely with Mrs Miller and the teachers as we continue to support and improve the educational programs, resources and facilities within the school both financially and in spirit.

Watch the newsletters and communications for details and as usual, spread the word and get involved.

days notice.

Kurrajong East Public Schools P & C Annual General Meeting was held on Monday 12th February 2018. We welcomed familiar faces and some new members.

All Office Bearer Positions were declared vacant and a new team of executives were elected.

However, we were unfortunately unable to fill the position of Treasurer.

If you are interested in or know of anyone who would like to potentially fill the position of Treasurer can you please make contact with the P & C President or the school office asap.

One of the best assets of KEPS P & C is that we work together as a team to help and support each other in the positions and roles that we undertake. The position of Treasure will be supported by the other members of P & C executive.
