

March – Issue 2

What is KEPS P & C ?

Parents, as partners in the education process play an active and important role in the education of their children. The P & C enables parents and citizens to meet together to determine and support the needs and aspirations of the school community. KEPS has a dedicated and enthusiastic team of P & C members. We hope to see many new members join us at our next meeting on Monday night.

The monthly P & C meetings provide a forum for parents to learn about the activities at the school, raise concerns, make suggestions and have input into the decisions affecting their children. Through parent volunteers, the P & C runs the canteen, OOSH and uniform pool. The P & C also raises funds for the school through fundraising initiatives and events to support projects, provide resources, improve facilities and subsidise costs for specialised programs and educational excursions.

The P & C encourages and welcomes new members to come and be involved in developing their partnership with the school and articulating their aspirations for their children's education and school. We look forward to seeing you there.

Kurrajong East Public Schools P & C Annual General Meeting was held on Monday 12th February 2018. We welcomed familiar faces and some new members.

All Office Bearer Positions were declared vacant and a new team of executives were elected.

However, we were unfortunately unable to fill the position of Treasurer.

If you are interested in or know of anyone who would like to potentially fill the position of Treasurer can you please make contact with the P & C President or the school office asap.

One of the best assets of KEPS P & C is that we work together as a team to help and support each other in the positions and roles that we undertake. The position of Treasurer will be supported by the other members of P & C executive.
